| 2015 | Donnafugata Ben Rye Passito Di Pantelleria - Sicily | 15 |

LA SICILIA

{Sicily}

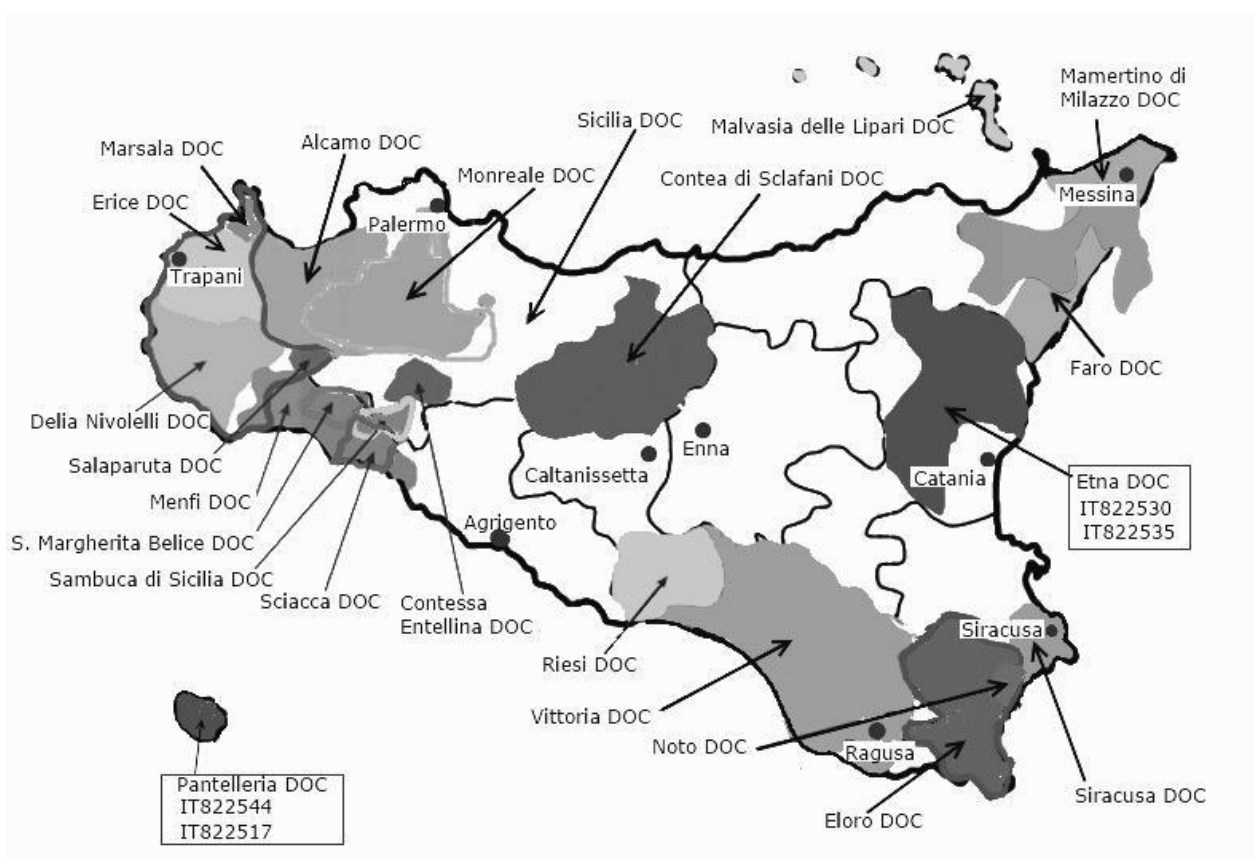

One of Europe's oldest viticulture regions still offers some pleasant surprises.

Sicily's oenological history is an ancient one.

One usually associates fine wines with western Sicily or the areas near Mount Etna, but many new wineries have sprung up across the island.

Sicily's vintage wines are a magical creation, and many of the island's traditional wines and spirits are famous far beyond its shores. Several boast denomination of origin (appellation).

The magic is in the fertile soil and Sicily's long, cloudless summers – with humidity but virtually no rain from June until harvesting in late August – two factors which make Sicilian vintages remarkably consistent from year to year.

I VINI SICILIANI / Sicilian Wines / by the bottle

Sicilian Sparkling
