

BEVERAGE LIST

“Who loves not women, wine and song remains a fool his whole life long”.
— Anonymous

“Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing.”

— Ernest Hemingway

FRANCIACORTA & PROSECCO

Franciacorta is a section of the province of Brescia, Lombardy, Italy. It is known for its wine production of the 'Italian Champagne', using the traditional method of Champenoise, where the fermentation with the addition of sugars and yeast takes place in the bottle, unlike the Charmat method which uses fermentation in an autoclave and subsequently bottling. The duration of the fermentation is Officially regulated and Certified by the Law between 18 and 24 months, only after this period can be officially sell it on the market.
